

# TNP-TEAP TIME

## YOUTH, THE HOPE OF FATHERLAND

"The youth is the hope of the fatherland" is a quote attributed to the Philippine national hero, Jose Rizal, often interpreted to mean that the future of a nation depends on the actions and character of its young people. Rizal envisioned a future where educated, empowered youth would lead the country to progress.

### What can we do to help our youth?

If you are wondering how you can help and support the young generation, one way is to **MENTOR THEM**, give some time and effort to encourage them. Having knowledge and understanding allows them to make sound decisions and take effective action.

The saying **"Knowledge is Power"** means that learning makes us strong and capable. Let us support our youth in achieving their goals, and together we can create a far better future for our country and world.

## WSB, MENTOR-MENTEE MEET UP

Maxim and Marissa Basilad from WSB went on their way to meet their three TEAP scholars from TNP-Pentecost, namely - Nathan Brigola, Rickelyn Rebito and Kristelyn Pascual.

Mentoring impacts an individual's growth through guidance and support, and has positive ripple effects on both the mentor and mentee.

## KASALANG BAYAN (Community Wedding)

The Annual Kasalang Parokya was held last May 24, 2025. There were 11 couples who participated in the community wedding, 4 couples from TNP Pentecost. The men will join the BLESS program this June and their wives, who are TNP members, will join them. Congratulations to all the NEWLY WEDS! Praying for a lifetime of love and joy!

## DGL's TRAINING AND WORKSHOP

Another activity held was the Discussion Group Leaders' training and workshop in preparation for the BLESS. The training includes a practicum on **How to Conduct the Baptism in the Holy Spirit** - a step-by-step process as facilitator.

## TPWT's ESP 2025

Tulong Para sa Walang Tahanan (TPWT) is launching "Embrace the Struggles of the Poor," ESP 2025.

This program reaffirms TPWT's commitment to the Church's call for spiritual involvement with the poor, coinciding with Ligaya's 50<sup>th</sup> & TNP's 40<sup>th</sup> anniversaries.

Since December 2020, TPWT has mobilized 130 members from LNP to feed the homeless. For this year, ESP 2025 aims to expand this involvement to 500 LNP members. Individuals can join ESP Program through Daily Prayer Time, Operational Support, Financial Contributions and Benefactor Outreach (finding benefactors).

## TNP KAIROS ARISE DELEGATES 2025

It's a great blessing that TNP Youth participated as five of the delegates of the **2025 KAIROS ARISE** (sponsored by Ligaya ng Panginoon) held in Cagayan de Oro for the first time. Truly, God has an appointed time to act and cannot be outdone in generosity.

Praying for spirit-filled, powerful fruit for **Eugene Canchela** (Pentecost), **Edzel Mundo** (Della Strada), **Geod Cadion** (Joriz), **Nathan Brigola** (Pentecost), and **Mitzi Guinataran** (St. John the Baptist) with **Kuya JP Punzal** as TNP Youth Worker/NSI Delegation Head. God bless and use you, TNP delegates!
