TNP MEN'S COUNCIL RETREAT

Last February 22-23, 2025, TNP held its very first Men's Council Retreat at the Spring of Living Waters Retreat House in Antipolo. The TNP Men's Council is composed of Main Leaders. Most of them are being trained to lead in their respective TNP areas. Among the topics discussed were DISCIPLESHIP, SERVANTHOOD, AND SERVANT LEADERSHIP.

The retreat was fruitful. They also had time for fun and games... and siesta. The brothers expressed that they would like to have more events like this to strengthen the bond of their relationships.

God bless you all, brothers! More men for the Lord's vineyard!

MENTOR - MENTEE MEET-UP

Being a mentor also means building a sisterly relationship with my mentee. As we pray together and share about our lives, especially her studies and our random *kwentuhan*, it's God's way of widening our tent pegs. Keep it up, Mary Joy, as you strive to be a responsible working student and a youth servant in TNP Sacred Heart! You are a blessing to your family and the TNP Community.

Mina Concepcion NS2B

Finally, after months of *kamustahan* only on Messenger, my mentee, Crisha, and I were able to meet before the TNP Nativity Prayer Meeting.

Crisha is a very open, talented, and gifted lady. She is bubbly and fun to be with. Looking forward to more bonding time with her!

WALK FOR LIFE, WALK FOR HOPE

The Ligaya ng Panginoon and some TNP sites joined the **WALK FOR LIFE, WALK FOR HOPE** last February 23, 2025.

This is our way of supporting the March of Life, not only as Catholics, but also as individuals who believe that every unborn child has dignity and worth. They are from God -- a great gift from above.

WHY DO WE WALK FOR LIFE?

WALK FOR LIFE / MARCH FOR LIFE

Is a pro-life movement advocating for the protection of human life, particularly the unborn. It is a peaceful demonstration to stand against abortion, euthanasia, and other threats to human dignity. People march to raise awareness, influence policy, and **PROMOTE A CULTURE OF LIFE** based on the belief that **EVERY HUMAN BEING** from conception to natural death, **HAS INHERENT DIGNITY AND WORTH.**

WALK FOR LIFE 2025 | FEBRUARY 23 | AAM - BAY | MANILA CATHEDRAL

THE REASON

- DEFENDING THE UNBORN** 🟢
The march is a call to recognize that life begins at conception and must be protected.
- RAISING AWARENESS** 🟢
It seeks to educate people about the dignity of life and the consequences of abortion and euthanasia.
- PROMOTING A CULTURE OF LIFE** 🟢
The event encourages society to support women, families, and life-affirming choices.
- PRAYING AND WITNESSING** 🟢
Many marches include Masses, prayer vigils, and testimonies to emphasize the spiritual and moral foundation of the movement.
- INFLUENCING LAWS AND POLICIES** 🟢
Participants hope to inspire lawmakers to enact pro-life legislation and overturn laws that threaten life.

TNP YP

Our TNP Young Professionals (YP) is now growing! The last meeting was attended by almost 40 TEAP Scholars and TNP Graduates.

We can't help but be happy that YP is now growing in numbers. It is for this reason that the TNP YP CORE TEAM was created -- to help with the upcoming events and meetings of TNP YP.

John Carlo (JC) Masirag is now leading the YP and is doing a great job. Thumbs up to you, JC! Keep it up!
